

# Committee on National Security Systems

## NATIONAL MANAGER

Tone Commander Systems  
ATTN: Mr. Steve Walker  
11609 49<sup>th</sup> Place West  
Mukilteo, Washington 98275

Mr. Walker:

On behalf of the Committee for National Security Systems (CNSS) National Manager, I am pleased to notify Tone Commander Systems that Voice over Internet Protocol Telephone (VoIP) and ISDN Network Terminator (NT) 1 were approved.

The following CNSS serial numbers are assigned to the Tone Commander equipment:

**CNSS-A-01-2009**  
**VoIP Telephone**  
**Tone Commander or Teo**  
**Pre-production model tested**

**CNSS-A-02-2009**  
**ISDN NT 1**  
**Tone Commander or Teo**  
**Pre-production model tested**

The Tone Commander VoIP Telephone and ISDN (NT) 1 must be resubmitted for approval if substitution of any component alters its electrical or acoustic characteristics. A random sample of these models will be tested one calendar year after CNSS approval to ensure compliance with CNSS guidance.

FOR THE NATIONAL MANAGER

RICHARD C. SCHAEFFER, JR.
